

THE RACK LAW FIRM, P.C.
A PROFESSIONAL LAW CORPORATION

Inaugural Edition
Message from Principal of Firm

To Select Clients and Colleagues of The Rack Law Firm, P.C.:

This marks the first *e-Legal* communication to be sent to our Estate Steward Program (ESP)© clients and professional colleagues of the Firm. We intend for these e-mails to be limited to high-interest items forwarded on an as-needed basis, rather than something to fill your in-box once a week, every week. We hope to provide timely news and analysis of legislative happenings in Washington and Richmond, and we intend to feature estate planning advisory “white papers” explaining strategies for advanced estate planning, asset protection, business succession, Medicaid eligibility and litigation involving estates, trusts and tax controversies.

We are confident that these communications will prove to be beneficial to you, and we welcome your comments and suggestions so that we may fine-tune them for your continued edification and, perhaps, enjoyment. If the *e-Legals* do not suit your needs, please contact our marketing director, Tracey Nicolai, at the address below in order to unsubscribe. Thank you for your consideration of this new client/advisor communication.
